PATSY! THANKS FOR leaving a comment!
It's been a long time! So much has happened since
last talked. Unfortunately most of it has been un fun
Including my legal fight. I'm still at it, but the
hate me like I hate them! I've really been neglecting
blog which is terrible. I shouldn't take this for
granted like I've been. You can't always be in
state of mind to be sharing yourself with others
knowing a lot of "others" could care less what
I'm going through. Anyway... I'm not trying
negative shine!

How do you like my "Pit Bull w/ a Gold
card"? Is that GOLDIE OR WHAT?

Looking forward to hearing from you,
Remember: you can always "comment" here and
if forwarded to me, I know it's a lot to write
letter now a days.

I'm done for now.

Love to you.
