My Birthstone is Amethyst

My Zodiac Sign is Aquarius

Aquarius individuals are concerned with the group and the community instead of individual goals. We are independent and future-oriented with worldly views. We also have a dual nature being both inventive and conservative. Aquarians make good inventors and scientists.

It is always good to know, that God will open a door that may look closed, for the only thing that is closed is a mind. I will continue to keep mine open and awake at all times. I want to be a receptacle for God's grace.

Be Blessed,
Michael
