Whats up? You know I really do understand  
your mad at me for leaving. & And I'm really sorry  
I left you. & And I really hope you can forgive me some day  
Because I would really like to hear from you. & And see  
if we can be friends again. What do you think can  
we start writing? If Not all I can say is that I'm  
sorry again. But will you at less please let me  
know some thing even if its you just telling me to F  
off at less I'd know some thing Ok... & And you know  
you say you dont want to upset me. But even if you wrote  
me a letter that was just you covering me out I wouldn't  
be upset with you. Because I'm really the Fuck up. & And  
I know that. But please write me even if its on here please
