There a married woman  
I have fallen for

I love You my dear  
Not in the way of inter Course  
Your speech fingers in my ears  
Tickling the insides of my Brain

The ducks by Lakes  
that I dream we throw bread to  
And being Chased by geese  
Climbing a ladder to clean your dro  
Or putting together your new bed  
While you giggle at my clumsy ne  
Yes my dear If I were free  
I'd attend your garden too  
While you bring me something coo

Just the Idea of you being near  
Soothes prison boredom  
I wish we'd met in a different ti  
And you were single  
I'd enjoy you tickling my ear
