PRESIDENT BARACK OBAMA !!!!!

UPDATE:

Sabotaging Peace With Iran  
BY LEONARD C. GOODMAN

IN THESE TIMES, MARCH 2014, INthesetimes  
.com, p. 18...

The Jewish Lobby ARM IPAC attempted  
to have New Sanctions Passed against  
Iran to block the U.S. President's  
Viable PEACE INITIATIVE.

FURTHER:

"According to the Bill Titled the "Nu-  
clear Weapon Free Iran Act of 2013",  
the United States must use "military  
force" against Iran (i.e. go to war)  
if the government of Israel decides  
to strike "against Iran's Nuclear  
Weapon Program". NO Congressional  
declaration of war is required. Thus,  
the U.S. Senate would effectively hand

1 of 2

over to a foreign government the  
Power to send more American kids off  
to war."

58 Senators, including 18 Democrats  
supported the Bill.

The Superman President's mighty  
VETO PENC AND Public exposure  
Threat killed the Insurgent!!!

Even President Reagan didn't have  
have this kind of power and Real  
Politik skills!!!!

KUDDOS, COMMANDER IN CHIEF!!!!
