

## JUSTIN BIEBER

Rolling Stone (RS 1204) Rolling Stone  
-COM MARCH 13, 2014 COVER STORY, P. 39

### BAD BOY

"THERE IS A FINE BETWEEN HAVING MORE FUN THAN TEENAGER ALIVE AND COMPLETELY MELTING DOWN. JUSTIN BIEBER SEEMS DETERMINED TO FIND IT" BY CLAIRE HOFFMAN.

The "Rollin Stones" are damn "BAD BOYS" till Mr. Keith Richards Die!!  
Bieber is a kid - growing and improving!

"Others, including Justin's UNCLE, Brad Bieber, blame heartbreak, and say Justin is acting out because of his protracted breakup with Gomez, who dating him 2011, when she was 18 and he was just 16." , p.41

Now there is the rub in plain sight!

Obviously, this is the sore spot, the kid  
is pinning for his love - Ms. Selena  
Gomez.

When and who shall unmask Ms. Taylor  
Swift in the background of our lives!

Keep improving Mr. Bieber (God  
is not finished with you - Yet!). That's  
Life. (Sinatra)...

Good Luck, Mr. Bieber!!
