Nikki,

Time 3-28-14

I find myself ever amazed by the grace & power of God that is now consistently present in my life & life I now strive 2 live abundantly, while the devil tries 2 steal kill & destroy my joy & determination by continuously puttin "devil books" in the cell w/me. Today I will arise from these bunk bed ashes 2 reclaim the beautiful life found in Christ Jesus our Lord. As my hands-ugly tho they maybe - embark on a journey, a spiritual one, a ~~war~~ war in prayer as well as 2 wear w/written words as lost & depressed souls need glimpses of Jesus so they can cinematically come to life. Pray 4 Stewart, Ortiz, Hollins, Hubbard Kibble, Bryant, Esteves, Koch. Thank U.

God works in mysterious ways. Amen. I promise U that the day before I received ur letter, I was tellin a brother how in hood culture there's a prestige attached 2 catchin a case & goin 2 jail/prison. 2 further illustrate my point I spoke on my own guilt in that arena. Few after my 1st stint in jail I kept wearin the "bracelet" w/my mug shot 2 school & around the town. I recalled how girls in my class introduced themselves 2 me & asked "What was jail like?" Some started "Wow. I love bad boys" etc. That was then this is now.

me findin out that prison isn't the place 2 B. Ya dig; I strive 2 turn the nightmare of '97 into a hopeful dream 4 tomorrow. Rather than manipulate women I find myself scriptin words 2 free people from spiritual prison. Amen. In the midst of worse I must maintain my poise

Thanks for the compliment - I will give it 2 God as I now know that it is HE who blessed me with such intelligence. Read 1st Kings 10 verse 23 & 24. As weevs I pray 2 ~~say~~ inspire people I pray my life will as well. Seein how I'm now know who I AM.; I who I'm destined 2 B. Bruce God Minister → this is who I AM. Sadly I believed the lies of satan many yrs ago that I was a "Hustle" "Thug & playa" that's so not the truth in Gods eyes. See He sees me as a "King & a priest" & "It is beloved son". Amen. The devil

is a liar. Day that Reach John 8. Thanks Mary Geel
bless the reading

Tell ur mom I said "Hello" - Don't trip all is 4 given ☺
I understand that we all ha loves 2 live which causes
somethings & some people 2 get drowned out. Yikes. "I'm
silly abt it 2 just like them!" Still people & haven't
wrote though I saw I watch-one reason stamps expensive
on a prison briefet: another reason some 2 just don't really
want NB thing 2 do wif. Yikes

Well I'm sure u know that I'm in touch w/ Darn.
She told me u got 3 kids! I can't believe it is what R
their names? Praise God I had the privilege of
finally meeting my daughter on Nov 17, 2012 Amen. Her
name is Prisha & shes the most beautiful girl in this
world. & she makes me the happiest father in the whole
~~whole~~ wide world. I'm still amazed that she loves
me though I got locked up before she was born.
God truly is good. Amen. Well right now she's gotten
Str 4 3 in school & plans 2 B a psychiatrist upon
her release from ~~high~~ high school.

Thanks 4 thinkin about me ☺ Hey u don't 1/2 2
fix "the name" its good. Tryin 2 overcome my boyish pride
& childish ego! See back in the day I did things just 2
feed my fragile male ego. That's how I got in this mess
in the 1st place.

But "woe" is not me. with Geel's help I have overcome
this "lengthy prison sentence". Amen. So I must strive 2
live out the ministry ☺ Geel has trusted me with. Amen.

Nikki, I'm here 4 u as ~~a~~ a friend I pray u will let
me drive u 2 ur heavenly home. Geel loves u so much
just ~~wanted~~ wanted u 2 know that. Right now Jesus
is seeking 2 introduce Himself 2 u. I pray u will
let him. So be it.

Well hope 2 talk 2 & see u soon - whatever that
means. ☺
