Ali, I have so many questions for you. We have a life time to catch up on.

- 1) How are you doing?
- 2) married?
- 3) kids
- 4) Job
- 5) still live in Texas?

Sis I've got 100's of questions but I don't want to overwhelm you.

This is how I answer the 5 questions.

- 1) hopeful that we can establish a relationship
- 2) Trying to divorce my wife, long story and you have probably read my feelings about her on my blog.
- 3) Casey 20, Courtney 18, Noel 14, Harmony 12
- 4) Prisoner for the last 13 years and have 10 years left. Another long story that I'll tell you if you want to know
- 5) California.

I really hope to hear from you again sis. Thank you for writing to me. It made my year.  
love your Brother Roland (Fritz) 4/7/14.
