

## Priestess of Cybele

O Goddess, Cybele,  
Please hear my cry!  
To become one with Your Spirit  
I am willing to die!

O Great Mother,  
to you I belong, so strong.  
I am your Daughter, forever,  
the son is now gone.

O Mother Nature,  
Please show me the Way.  
You give Light in the darkness  
and resurrect Life each day.

A Priestess of Cybele  
I wish to become—prostrate position,  
One of the Gallae,  
A sacred rite—sexual transition.

I worship your image, O Goddess,  
I bow to your feet.  
I offer my Self to You in thanks  
To live as a Woman, discreet.

Beautiful as the violets  
and bright as the Full Moon,  
I'll sing your song with devotion and Love.  
Forever, I'll rest in your Bosom Sean.
