ALSO CBS.COM, FEBRUARY 9<sup>th</sup>, 2014

What I love about the Beatles, and  
the whole "The British Invasion" in the  
60's is short and sweet, and person-  
ified in the Revolutionary and Wond-  
erful JOHN LENNON always "INCONVEN-  
ient Truth". Here: I sing more black  
than Blacks!!!

The Marvelous Beatles took Back  
what Elvis stole, that is CREDIT to  
Black Music.

Like Mike Jagger, who rightly to this  
day, extol the Roots of Rock n Roll  
in Muddy Waters, Howlin Wolf, Chuck  
Berry and Black Music.

MICK, Promoting his Production of  
Bio of James Brown "GIT ON UP" Movie  
Set for Release Date August 01, 2014.
