

wo Mono E Mono (Mononucleosis pt 2) 12-22-5

my heart is waverin
on dabbled steenes
came to me &
be who you be
family issues
soakin up
my words is tissue
fears of death
& whatever else
keeps u left
current relationships)
lonely? How can that be?
I'm all that's left &
nearly right
over joyed you had to feel
mentals romanced
pen
this pencil

each breath taken stroke
aids your search for ♡
white menel in badderel
broken hearts
ultimately hustein
tomorrow dreams
of hope

only tellin [redacted] truths
Keep messin wit ya boy
& you'll recapture ya youth
least that slice of life
you yearn to dusde
& been missin
