4/2/14

Dear Julia.

I recieved your letter. I responded to it also on 4/2/14. I had trouble making out your writing. So, it is my hope that I was correct and that it reaches you. I hope I even got your last name correct. If you don't get it soon. Send me a post card clearly scripted.

Meanwhile, have a good day. I look forward to building a friendship.

Peace,  
Michael
