

# OBAMACARE SIGN-UP IS VICTORY LAP TO EARLY

FOX SUNDAY, APRIL 06, 2014  
ANCHOR CHRIS WALLACE...

The media treats the AFFORDABLE CARE ACT, as though it was High Treason and Low Crime, instead Constitutionally enacted legislation.

They tear it to pieces CSI style day after day - thusly:

Who signed-up?

IS the 7.1 million SIGN-UP NUMBER Credible?

Were they among the previously INSURED or UNINSURED?

AND ad Nauseam!!!

Contrast GM recall, which indicates criminal Acts were committed. However, almost Black out in the NETWORK NEWS SHOWS.

People!! Our President is Not a

CROOK ! ! ! ! !

"... WAS AN ARCHITECT OF OBAMA CARE. BUT  
SAYS, "OF COURSE, I DIDN'T WORK ON THE  
WEBSITE!"

"Health-care regrets? I take a lot pride  
in it. BEING A STAUNCH ADVOCATE OF THE  
AFFORDABLE CARE ACT HAS NOT ALWAYS BEEN  
FUN. BUT THE IMPORTANT THING IS TO FOCUS  
ON THE LONG GAME. I THINK ACA WILL BE  
A CRITICAL ACHIEVEMENT." -p.110
