Bill I will write again soon, you take care and know that I am out here and will get back to you whenever I get a chance to spout something new. ZAP

Those were the last words you sent to me a year ago — what's up? You mentioned that

I've written you two long letters and both times they were erased. So I am here and trying to respond to you. I will send you more if I can figure out how to do it. Like I said, I am not that great on the computer."

And I haven't seen a word from you since!
You know... you can write me directly at:
William Coehler, # K-77832
Box 409020, Al-124
Lone, CA 95640

Then I'd have a mailing address to send you a couple visitor forms to fill out so that we may visit in person some weekend in the future. Lone is only about 40-50 miles from Sacramento. Write me soon Rick, I pray all is well.

Be blessed.
