This bogus garbage response just proves that our grievance system here in the Fla. Dept of CORRUPTION is a garbage system that's broke and does not work. For see Amended Response. 1403-213-079 dated March 31, 2014 Reversing this, yet Tallahassee is rubber stamping a denial without any investigation. The only reason this DR# 213-140287 was overturned, was because my friend Anne, sent e-mails and phone calls, had it not been for her, I'd still be on D.C. For this bogus DR. that should have never been written to begin with.
