Dear Tracy,

I was so surprised to receive your comment on Things. You are very kind to say. It was however very easy to talk, play guitar and sing songs to your Dad, he was a great guy and Mf and Gloria did a lot for us folks here in this bospice. I have seen so many men die here this past few months and it is always good to meet kind, caring, people, I will keep you in my Prayers and Ms. Gloria too. I just might occasionally write too!

all my love,  
Your friend
