

Shannon, Selina Jones,

You mean the world to me, I love you with every breath that God has given me to breathe. I've decided to write this letter for my blog so the entire world wide web can see what you mean to me.

I don't need, nor do I want anyone else in my life, no one could carry the burdens you carry no one would dare walk this long journey with me.

Everybody is blessed with a miracle! I was blessed with 2! my pride and joy malachi, and then when I fell in love with you!!! my word is my bond, and most importantly my promises are golden!

I love you and my love is undying, my love is eternal, and it'll keep you from cry.

LeVar E. Jones
