In my Arms

By: delia Ejo

Love you with all my heart, its you and you alone,
in every dream I have, I have you as my own.
I love your shiny eyes, your sweet loving lips,
your sparkling smile, your soft fingertips.
I love you always, shall forever none will be,
no other in the whole world, could mean as much to
your kissable, your hugs are loveable and sweet,
you excite me every minute, and sweep me off my feet
you're so charming, you're desirable and true,
you motivate me not to give up, that's why I love you
I stretch my mind across the space, that keeps us
caressing your body, with all the strength in my heart
when I do succeed, the contentment I'll feel is deep
The smile on my face, will put me right to sleep,
I yearn to see you, its been a long time,
I crave your soft kisses, your passionate love is all,
when things go wrong you are at my side,
to soothe the pain in my heart, to save my pride
love the way you smile, I love the way you look
the way you can read my heart, just like a book
I will not let myself despair, for soon we will reunite
And then I promise to hold you, in my arms all night
