God Sent me U!

By Lela E

nobody else can take your place, within this heart of mine,
you're my one and only, until the end of time.
I want to hold you so bad, to share my every day,
to tell me I'm all to you, to love me in your way,
to help fulfill my dream, this yearning that I feel,
the love I have is just for you, you're my one idea
Treasure each word you say, each sweet and happy smile,
I long to hold you in my arms, for just a little while,
God knew I needed someone, so He sent me you,
to love and cherish always, all my lifetime through,
He made your lovely smile, from a sunbeam in the sky,
picked 2 bright stars, and placed them in your eyes,
made your touch gentle, as a breeze in early spring,
your soul cheerful, as a bird flapping its wings,
Gave you understanding, and laughter like a song
to cheer and comfort me, when things went wrong,
Filled your heart with love, made it kind and true,
I prayed and prayed, then God had sent me you,
There's other things than the joy of your quiet embrace,
the peace you offer, the smile that stays on your face,
our love will last forever, till the stars have ceased,
God had sent you to me! you alone will always be mine.
