What we'll Become

By DeJae

The love I have for you, can never be measured,  
you're a diamond in the ruff, some type of buried tv  
you're like the sun in the sky, that gives a lot of  
you're like the raindrops that grows beautiful flowers  
you're like a bird that sings, in the morning time,  
you're like a guide when I'm lost, and walk around  
you're like a blanket, that keeps me warm when I'm  
you're a good luck charm, that's rare, and hard to  
you're like a bright star, that shines in the day and  
you're a miracle from God, when He gave eye sight.  
Told you bout my love, now it's something I gotta show  
each day closer to home, it'll continue to grow,  
you know my heart, you know how much I care,  
you're something I can't live without! that's air!  
Deep down I understand, that you're protecting your  
but dwelling on the past, is not really smart,  
The past will make you mad, but our future is bright  
no more lonely days, or tossing and turning at night  
Keep doing what you do, don't dwell on what I've do  
plan our future together, and what we'll become,
