## I Love You

By Debbie G.

with the wisp of the wind, my heart was stolen,  
gone forever by one woman, whose promises are golden,  
she stayed by my side, she's also in my dreams,  
she's like my heartbeat or my shadow she never leaves.  
Every day I want to call, I constantly anticipate,  
you can't wait to hear my voice, and you anxiously wait.  
Each day you're let down, because I never come through,  
but you can rest assured, that I'll never abandon you.  
You're always on my mind, you're my last and final thought,  
where would we be now, if I wouldn't of got caught?  
Dealt with the ups and downs, even saying "you're through"  
but some way, some how, God leads me back to you,  
For sickness and in health, for richer or poor,  
you'll always be my heart, that makes me love you more.  
I said it too many times, that I love you with every breath,  
Every step I've taken, my love has never left,  
with each heartbeat, with every blink of an eye,  
I constantly thank God, for putting you in my life,  
I'll always keep you happy, for I'll never put a frown  
for if I ever do, I'll feel like I'm letting God down.  
He sent me to you, so I must protect you at all costs,  
gotta protect His angel, even if my life is lost,  
you're my sunshine, my life, you turn my gray skies blue.  
I thank God you're still here, and for that I love you.
