Dedicating This One To You

By Aedae

I dedicate this one to you, the one that I cherish, who deserve to be my wife, blessing her with carats. Our love has gotten stronger, trying to erase her & pleasing her and making her happy, is all I'm about. My intent is to love her, until the end of time, to give her comfort, love and peace of mind.

I dedicated this to you baby you know who you are. God sent me an angel, whose eyes shine like stars. I'll never hurt your heart, nor make you cry.

I'll always protect you, and never leave your side. You'll never have to doubt me, my love is too strong. Even though the road we've traveled, is way too long. I promise with all my heart, I will never hurt. Good things come to those that wait, patience is a virtue.

I know you're lonely, I know you're frustrated, and us being reunited, is taking longer than we anticipated. Baby you could've left me, but you decided to stay, and I thank God you did, each and every day. Baby if you were to leave, I don't know what I'll do. You're my heart! That's why I'm dedicating this one to
