Rep. Sanders LEVIN (D. Mich.) and Republican chair BOUSTANY, House Ways and Means Committee - guested, on FOX SUNDAY NEWS.COM WITH CHRIS WALLACE APRIL 13, 2014 9: A.M. CST. - to discuss their Committee's Investigation into the IRA's alleged Targeting of Tea Party Organizations.

Rep. LEVIN argued that the committee had found NO EVIDENCE of wrongdoing. Rep. Chair BOUSTANY called for Justice Department Criminal Investigation. The Republicans want former IRA head Lois Lerner criminally investigated. She took

the FIFTH before Congressional committees.

Later Anchor Chris Wallace and the FOX PANEL of George Will, Bob Woodward, Brit Hume and Julie Pace were critical of President Barack Obama's statement that not a smidgen of evidence of corruption was found.

Recall too that President Obama is a former Law School Professor.

Obviously, the Republicans see a HOT BUTTON Campaign issue here to get out the Tea Party vote this year!
