10:00 A.M. GUEST BILL O'REILLY

Mr. Bill O'Reilly, Fox, made several provocative comments, which shall be here Teased:

He said his new children's book is solely based on the HISTORY OF JESUS [Not the Christ!]!!!

We'd Love to see his Research materials!!!

Plus, he projected Stephen Colbert was the wrong pick to replace David Letterman next year, because conservatives won't watch him, because of his left views.

In 2012, this was the proven wrong assumption made against the present

RE-elected occupant in the White House (2012)!!
