

A SOUL SURVIVOR GETS BACK IN THE GROOVE

— BY ANDY GREENE, ROLLING
STONE (RS 1202) ROLLING STONE.
COM, FEBRUARY 13, 2014, P. 20

"Sharon Jones roars back with
a new album and tour. Just
don't ask her about the Grammys!"

"Every time there's a Grammys or any
music awards, what's doing? She
says, I'm sitting on my couch. Why am
I not recognized? Do you see an
award for soul music? No. These
people are great singers, but how
can Justin Timberlake and Taylor
Swift always win for R & B and Funk.
They're pop singers!"

There is too much money to be
had for Jay-Z and Rihanna them
to be heroes against social
injustice!!!

They don't want to lose what
Dr. MLK, Jr., the children and others
DIED FOR!!!

ONLY MS. SARA SILVERMAN dared to
to be so bold and Protest to Tim-
berlake Shameless face his Win!!
(February 2014).

He shot blanks back that Sara
was advocating REVERSE RACISM.

OUR UNIVERSE NEEDS MORE
BRAVE HEARTS LIKE HEROIC JONES
AND SILVERMAN!!!
