1.

JULY 27/13

This month, July, I have been spending time studying and focusing on what it means @ line each day practicing an UNDERSTANDING HEART.

"THE DIRECTOR, IS AN UNDERSTANDING HEART"

The outcome of our life experience is of a completely different quality when we bring the things we understand into the Light of our heart. For it is here in our hearts where we receive the Light of Christ; that light which shines in EVERY BEING.

Without an Understanding Heart we are simply applying information and accumulated past experiences with the expectation already figured out. If I do this, then that will happen.

But there is a severely deeper dynamic going on in the Heart. There is a constant press towards the brightest, the best, and the lightest out-come from every moment, circumstance, condition, issue and relationship.

2.

There is a presence in each of us that exist outside and beyond reason. There is an "expression" in each of us that is willing up insisting liberty. If we could only release more frequently, the need to know the outcome. Why? Because, "EYES HAVE NOT SEEN, EARS HAVE NOT HEARD, NEITHER HAS IT ENTERED INTO THE HEARTS OF MEN, THE GOOD" THINGS THAT GOD HAS IN STORE FOR HIM." Our grandest image cannot begin to express the Creator's intending pleasure and <sup>COMFORT</sup> for our souls. It is like trying to put all the oceans in a thimble. That's quite a visual isn't it!?

So what I am learning about having and expressing an UNDERSTANDING HEART is that doing my very best in every moment will reveal the very best of our Creator in us, through us, and around us. It is not required that I DON'T DO THIS, AND DO THAT. But I must purposely RECOGNIZE that Love is all there is and all opposing experiences are because I have chosen to GIVE my attention to the sense of logic and mass doubt — APPEARANCES!

3.

JULY 7/013

Instead of "SURRENDERING" to the Power that has brought us through all we've experienced and to this moment.

An UNDERSTANDING HEART trusts and depends on the Creator to bring forth every out-come, grand and small. An UNDERSTANDING HEART is receptive to the health and accurate balance that is brought forth in our bodies each time we act out our best and express our best out-reach from our deepest IN-REACH. An UNDERSTANDING HEART speaks to the mind about the baby-steps and grown-up rest that is required in order to create an environment that is conducive for the Holy Spirit to usher us into the Father's Presence for gradual realization, revelation and instruction.

So — with all that I have said, please know that we MUST LEAVE OUR COMFORT ZONE, BECOME UNCOMFORTABLE OFTEN ENOUGH, AND LONG ENOUGH, UNTIL WE ARE "ONLY" COMFORTED IN THE PRESENCE of OUR CREATOR.

PRAY WITHOUT CEASING. THE FATHER WANTS TO KNOW —  
"CAN YOU HEAR ME NOW?"
