

## Reuniting

For those that have read my journal that I've been in here 5 years without any way to contact family and I hadn't seen the my arrest, I haven't had many to my blogs or request for pen. Most people these days want with a Florida or Prisoner go surprised to hear how many responded to my request for help to find my family. (1) From this site I have been fortunate a pen-pal (:) and I'd like to see and without this person I'd not able to hear from my little brother been looking for me just as much.

When I was younger my family apart from the death of my mother auto accident it was weeks before my brothers were just 4, 9, 10, and she tried to raise the boys but I interviewed one brother went one the other way and so on and so on. Some I haven't seen since.

these privacy Now will I say I  
used for word what My Brof  
was but I by than a week ago  
my Brother for the first time  
began to put in words what it  
how much I wanted to cry in a  
Bunch of Crown Men you, they  
because of alot do not have  
some of their family But Most  
they hear from them Each one  
of their lives behind bars. but I  
shed a tear of happiness because  
remain strong in the eyes of other  
and not show weakness or any  
Defenses that I have placed

I had alot of Fears in Real  
Disappointment, ~~anxiety~~, or should  
Anxiety

In a Nut Shell I didn't <sup>know</sup> what to expect  
that I have missed my family  
and I do not know where to  
that one person and I've learned  
my Fears and feelings weren't

so I can't brain to Repath the

## What a letter means to some

It means a moment of :  
Within these very walls a little  
the world from which we all  
It's filled with these loved ones  
and Dreams which we all yearn  
for some It's growing friend  
Value and something to believe  
in our future

Letters also bring happiness  
was thought to be found.

For those from family the  
contact of worry keeping us up  
on what's really going on in y  
that we often wonder what else  
can we think about 24-7 7 day  
and for others who have no  
to make friendships it means the  
it is all that they have to hold  
It gives them what they didn't have  
a sense that someone actually  
them, some people actually yearn for  
of having family, someone to talk  
respects us enough to listen.

I don't speak out of percent

SEEN REQUEST FOR PEN-PALS I  
RELATIONSHIPS THEY SEEK WE ARE  
LOT OF US FELT BETRAYED, AND SO  
MISS THE COMPANIONSHIP OF A  
FLIRTING AND HAVE ACTUALLY SOME  
SOY, TAKE CARE BECAUSE I CARE  
THESE ARENT MEANINGLESS WORDS, &  
TO BE FELT WANTED.

I KNOW THIS ALL BY EXPERIENCE  
I'VE BEEN LUCKY ENOUGH TO HAVE FRIENDS  
WHO HAVE HELPED ME IN MORE WAYS THAN  
JUST BY WRITTING AND BEING THERE TO  
I DON'T KNOW IF ANY OF YOU HAVE  
BLOGS BUT THEY HAVE MADE GREAT  
FAMILY WHERE I COULDN'T POSSIBLY HAVE  
THEIR HELP AND I NOW HAVE THE OPURTUNITY  
YES I AM QUITE NERVOUS

MY POINT IS IT IS  
TO REACH OUT AND JUST WRITE I AM  
A MAGAZINE CALLED GOOD OLD DAYS ON  
SECTION IN THE BACK FOR ELDERLY PEOPLE  
LOOKING FOR CARD SHOWERS OR POST  
CARDS REALIZED HOW MUCH THEY SAVED  
UNTIL I STARTED SCROLLING THROUGH  
AND LETTERS THEY WANTED TO READ  
FROM ME "A PRISONER" I WON'T LIE
