Hello! This is De'anna, I am going to respond to your comment in regards to Trayvon Martin's murder on February 26th 2012. This is how I feel about it point blank! First off I will "NEVER" believe he was a "Crack" Dealer:

He was in (high school) his last year at that. I have publications here to PROVE that. And now he's "DEAD" what a shame Rest In Peace (R.I.P.)

Trayvon Martin. Every black person think it's a RACE ISSUE because it is. White Folks that got big money here in America think it's right to kill black teenagers and get away with it because majority of them do, and that's WRONG.

George Zimmerman is a racist pig. Whether you want to except it or not. And, I am NOT the only one FEELS this way. If, this was a white teenager and the man was black that killed him it doesn't matter if he had big money or not he would be locked up! Do to the poor LAWS in Florida.

Everybody with common sense know this is "White America" were living in temporarily. And "you" can't hurt my feelings by saying I deserve to be locked up. And, I do eat the state food by choice don't get it twisted. I am on a Religious Diet Program (RDP) all my food is packaged. It's "Clean" and "healthy."

Yes! I broke the law according to man some get caught and others don't that's life. I'll live. Don't drop the soap in the shower that's funny to me. I don't go to the shower it's a big silver sink in this cell and I utilize it as needed.

✓ OVER

Words don't affect me they make me
Stronger. Incarcerated or not. I am content
with life and myself. And, you may be
FREE physically but it sounds like you
locked up mentally agreeing with George
Zimmerman who's a Coldblooded Killer.
No matter how you address this topic he's
DEAD wrong in my eyes. And he got away
scot-free with murder bottom line.
On that note you have a nice Life. If
that's what you call it.
I am Pro-black!
