

RENOWN PROFESSOR NOAM CHOMSKY IN
his PLN Interview is, among them, with
Tragic NEWS AND PROTECTIONS FOR BLACK
MALES:

NC:

IN fact, What's really happening
is this is a SUPERFLUOUS POPULATION.
A lot of the working class is basically
superfluous at a time when Multi-Nat-
ional COOPERATIONS CAN shift their pro-
duction operations to Northern Mexico
or Vietnam or something [sic] some-
where. And the Black population has
never escaped the effects of slavery;
I mean, the first slaves came to the
United States in the early 17th century.
By 1620, there were slaves. And the
effect of slavery has never been over-
come, in all sorts of ways. So most
superfluous population is the male
black population. FINE. SO WE STICK THEM

IN PRISON. Get rid of them!"
