RIGHTS. The cost of opposition would be too HIGH! ASK DR. MLK, JR. !!!!!!!!!

Mr. DYSON is the DANGEROUS DEMAGOGUE Aristotile Warn the masses NOT to FOLLOW! Please HEED!!!!

Let's not linger too long in his heated blatant Sophism.

Let's get to the point. He too Loudly Proclaims: Collins and Sam make ONE thing clear: Real Black men can be gay, and gay Black men can be saved, not from their sexuality, which is not a sin, but from our self-righteous condemnation. Sam, and a million more like him, may prove to be greater men with closer ties to God than their Naysayers could ever hope to be."

I won't question his AUTHORITY [IS HE A PROPHET OR GOD?!] to define what is "SIN"!

ZOP 4

However, I do question: Why play the RACE CARD !! here!

But I strongly push back against his too clever argument to REDEFINE universal "man" and "manhood" into Collins and Sam's ZMAGE!!!

Like Nietzsche, we ask Mr. Dyson to DEFINE his TERMS before he preaches to us!!!

WHAT THE HELL IS A "MAN" —  
Sir ???

I's made an expression of Black manhood!

Like Socrates (rumored to be gay!) I question:

I's a football player a man, because he plays [and socking] football BLACK MANHOOD, but you also included the NBA player into your mixed sexual metaphor!!!!

ISN'T YOUR ARGUMENT SEXIST?

IS MANIFICIENT Talented WBA Star  
BRITNEY GRINER DUNKING a Basketball  
PROOF of "BLACK MAN" and MANHOOD  
AND "MASCULINE" TOO!

SIR\_ at long last\_ why must  
YOU AND "HOLLYWOOD" PLAY THE RACE  
CARD IN YOUR "SEXUAL ORIENTATION  
REVOLUTION"??

XOXO!!

BOW : WITH LOVE AND RESPECT TO  
WONDERFUL ONE - HON. GRINER !!!
