The End of Time

By Debra E.

I think of you all day, think of you all night,
think of you before I sleep, dream of holding you tight.
Hope you think of good times, when you think of me,
having visions of happiness, when you go to sleep.
I can't live without you, my life is incomplete,
when you're near, my heart skips a beat.
I think about you, and words can't form for me to say,
The beauty you possess makes my knees weak.
I would be honored, to have someone like you,
to be by my side, to help me come anew,
someone who will turn my gray skies blue,
someone that'll be my flower, that'll always bloom.
When I look into your eyes they twinkle bright,
lips are so soft, when I kiss them throughout the night.
Hopefully you can see, my feelings are not fake,
hope you'll be my shining star, and you'll patiently
be my bride, be by my side, please hold my hand,
be with me forever, and I'll forever be your man.
Can't wait for that day, to see your smiling face,
an angel sent from God, Heaven's amazing grace,
No other will do, won't you please be mine,
because this love will last, until the end of time.
