If you have time

Bydellars

There's some things, that I can't really explain,
it's hard to cope, hard not to cry, hard to man
I know there's many relationships, I know you been to
you're a diamond in the ruff, they still treat you like
no man is faithful to you, there's always an excu
Everything from the lies, the cheating, and the abu
men like me! don't come around every day,
men that'll love you, and won't treat you that way.
Hold your hand and tell you, everything's ok,
Kiss you on your lips, say there's no need to be afraid
you been searching for that someone, all these year
crying all day, but I'll be the one to catch all your
Baby love don't hurt! wouldn't hurt you in my wildest
treat you like you should be, my beautiful Queen,
I'll comfort you, I'll console you, I'll give you protecti
lights are brighter here, come towards my directi
Never had someone like me, who'll treat you like thi
the good times you'll love, and what you truly miss.
no need to worry, I'm not here, to stress your min
I want to make you happy, only if you have time
