my Bride

By deVane E.

Everytime your heart beat, always know I'm there,
my love is like a Hallmark card, it shows I care,
know that I'm there, in every step you take,
you'll always feel comfort, in every breath you make,
when you wake up and yawn, and take a breath,
know that you're happy, cause I'll be the only one left,
I'll hold your hand, I'll be the one that's around,
I'll be the one to turn that frown, upside down,
I'll be your angel, that fell from the sky,
the one to wipe your eyes, when I see you cry,
The touch of your skin, makes me want you more,
when will you give up the key, to open your heart?
There's a feeling I get, that's hard to describe,
when you're near, I get this weird kind of view,
It's all good, nothing bad when you're near,
when you're away, it's your voice I yearn to hear,
without you in my life, I don't know where I'll be,
know I'll be miserable, if you weren't here with me,
continue to be loving, continue to be by my side,
continue to give me your all, when you become my
