Without you!

Bydellae &

No time to play, I'm a more mature man,
woman by my side, who will forever stand.
Got no time for games, it's time to settle down
with one woman, who is still sticking around
wiping her tears away, will fill me with so much
like at Christmas time, and I got a brand new
were on the same chapter, on the same page
loving only one woman, with love that'll never fade
her heart is my home, and I'll never leave
she's all I could want, and everything I need.
The thoughts of her, keeps me with anxiety,
anticipating my arrival, in that wicked society
A lot of temptation, but! they are not the one,
they would've never did, what this woman has do.
That's why I love her, and spend quality time,
with the love of my life, in this wretched life of
Through thick and thin, she's the best in all the
been in my corner, helped dust off my back,
when I committed my crime, and was locked a
she could've left me, but she decided to stay
and stick it out with me, being so dedicated,
and together we'll stand and become the most hat
So to my wife thanks, for making my gray skies b
I would've given up, I couldn't do this without you
