I'd die if u go

By deVae

Lately I've been thinking bout you, and what's going on, because if you're not near me, my hearts not that stre without you near, my entire body becomes weak, I be at lost for words not fixing my mouth to spee If you leave my side, I dont know what I'll do, hate thinking bout it, cause Im so in love with yo my life is incomplete without you at times I cry not there to fill that void, heart lonely on the in Please dont leave me, my eyes wont cry no more you have the key to my heart, close and lock the feel so insecure without you, miss you when you're not heart skips a beat, crying a river of tears, feeling excited at times, my heart can feel your fa knowing when you're around, to fill that empty spa why would you leave me? I couldn't take that pain never let your love fade, heart filled with rain I love your smile, your kisses your hugs, what am I to do without you? where can I turn to If loving you is a crime, then put me on death cause Im addicted to your love, and I'd die if u f
