Speaking To You

Bydell

Please don't think I'm playing, and doing this for fun,
I really want you, don't make me, put that on my so
I talked to God about your kindness, He already knew
I did some soul searching, and my love instantly grew
You deserve better, and better is what you'll receive
Promise with every beat of my heart, I will never let
when you're lonely, my shoulders there for you to lean
when you need comfort, I'll be the one, to help you
when you're down and out, and nobody won't lend a hand
you can always depend on me, because I'm your man
I'll never abandon you, I'll always be there,
I'll rescue you, when life's not treating you fair,
Just call my name, I'll come as quick as I can,
I'll dust you off, and together we'll stand.
I must be loyal, and devoted, to you and only you
give it my all, isn't that what a man's suppose to do
I will support you, when things go down,
I'll still be around, when there's no one else around
you really wanna know, if I'm speaking the truth?
it's coming from the heart, and it's speaking to you
