

Looking For Relatives

I am looking for relatives from my father's side of the family. My father passed away in 1998 in Philadelphia. His name was EDGAR with the same last name as mines. My father had a brother named "PEE-WEE" who lived in New York, in Harlem I think. My father's mother was named "Sadie", with the same last name as me I think. She passed away in the 80's when I was a little boy. I remember her name because my father always talked about her. At the age of 43, I've never met my father's side of the family. If you're reading this and it sounds familiar, we may be related as cousins, especially if we have the same last name: Winsett. It would be exciting to meet my cousins after all these years. I can be reached at the address below. Thank!
