

Dear Princess

Dear Princess,
Happy Birth Day, 5.1.14

I'm posting my brain so that you can find something to connect to anytime you log on.

The Poems, the interviews, the Commentary, all of it is my gift to you to reach you, to reach you, to be a better Father from where I am, to wherever you are.

Find yourself, you can always find me here.
I Love you, I miss you, I need you.

Your Father *Kyzst*
Forever!
