Dear Antoine:

Your meditation based on 1 Peter 5:5 has been chosen to be in the **Mar-Apr 2015** issue of *The Upper Room*. If your meditation is deferred to a later issue, you will be notified.

Enclosed is a copy of an agreement required by copyright law. Please sign and return it to us within 10 days so we can proceed with publishing your meditation. Be sure to make a copy as your record of this contract. This is a non-exclusive permission, which means you are free to use this work in other formats (including collections of your writings). If your work is chosen later to be included in an anthology, we will make every reasonable effort to notify you.

A biographical sketch/church information form is also enclosed, as well as a W-9 form. Both need to be completed and returned, unless they are already on file in our office and are up-to-date. **If we do not have your W-9 on file, our finance office will not process the request for payment.**

Writers receive \$30.00 when a meditation is published in *The Upper Room*. Payment is made on or near the beginning date of the issue in which your work appears. This is one way we acknowledge your part in our ministry, but the real value of your meditation is its witness to the millions of people who will use it.

Thank you for returning this information promptly.

Sincerely yours,

A handwritten signature in cursive script that reads "Lindsay L. Gray".
