Greetings,

Whats the B.I. (Business?) ; Yeah, it's
me - your boy Larry (Slow "L") Johnson.
Mentally reborn and refreshed physically,
but still looking for good company.

I got moved to Stanley Correctional Inst.
on January 16, 2014. I have to complete
the pre-release (re-entry) program before
I'm released. So, I'm waiting patiently
for my name to be processed and accepted.
Until then, I'm looking for some new
friends in the Eau Claire / Chippewa
Valley area who can give me good advice
and encouragement as I transition
home. It doesn't matter where your from.
