Check here if this is an informal grievance

I'm grieving the fact that 33-Fla. Admin. Codes, has no self defense/stand your ground mechanism in there for an inmate whose being attacked by another inmate. A stand your ground/self defense mechanism needs to be put into place to ensure that when an inmate is attacked and defending his self from harm or death, that he is not penalized and charged with a 9-4 Fighting DR. as happened to me. This grievance needs to be approved and a self defense/stand your ground mechanism needs to be put in place. Thank you for your time and help.

I'm grieving the fact that the F.D.O.C. will not allow me to sell my art work, and earn money for the canteen, which the F.D.O.C. is earning millions of dollars a year off of. I should not have to write and beg friends, and family, for money, to buy deodorant, pens, paper, envelopes, stamps, shampoo and other items that I need, and that the F.D.O.C. does not supply. We either need to be able to earn money, or the canteen needs to be shut down completely to bring equality to us all. I'm calling for change in these procedures and restrictions. Thank you for your time and hopefully your help. Ronald W. Clark jr

Part A - Inmate Grievance

see attached Informal # 05-14-049 This is a grievable issue, see 33-103.001 (3) (a) + (b) so this grievance is not outside the scope of a grievable issue. We need this to change, to bring equality to inmates, who need a way to earn money, for canteen items, that the FDOC does not supply us. Back in the 1990s they had places set up for us, to sell art work, out front here. And we need that system set back up like that. This is not fair to me or my family and friends who have to send money and support my needs. For the above reasons we need this change. Thank you for your time and hopefully your help.
