

A CALL TO RENOWNED SCIENCE,
PSYCHIATRIC; RELIGIOUS COMMUNITIES,
CIVIL RIGHTS ORGANIZATIONS AND
CONCERNED UNIVERSAL PEOPLES!!!

Dr. Bill Cosby, Ph.D., correctly sounded out the emergency alarm several years ago concerning Blacks (FOLKS) IN END DAYS!!!

As an uneducated Scientist (A la Birdman of Alcatraz) I have tragically observed a new phenomenon among the self-proclaimed — "Niggos" [NOT MY WORD!!] — New breed... entering the PENAL SYSTEM, AKA, PRISON INDUSTRIAL COMPLEX, particularly here in the Wisconsin Department of Corrections (WDCC) — PRISONS.

Dr. Cosby brilliantly touched upon their odd characteristics, and psychic in universality.

He carefully and correctly categorized, e.g. their lack of sufficient vocabulary skills; formal education; vocation, socialization, embarrassment, and so forth!

Over the too many passing years, I have, with deep dismay, apprehensively observed a preponderance of younger self-proclaimed "Niggas" [NOT MY CHOICE OF WORD! ALL THEIRS!!!] entering the Wisconsin Department of Corrections [WDOC] prisons, with at first impression, exhibiting inexplicable strange behavioral traits!

This writer here wish to humbly/with trembling pen-presume to contribute to Dr. Cosby, and his eminent co-author's, urgent social valuable public communication. Moreover, these self-proclaimed "Niggas" exhibit hyper-"Niggas" ON Black VIOLENCE! LACK EMPHATY! SYMPATHY! COMMON SENSE, SELF-PRESERVATION! SELF-DISCIPLINE!

CONSCIOUSNESS! CODE OF HONOR! MORAL
CODE! RACIAL AND GENDER IDENTITY!!!

NO "MENTAL RED STOP LIGHT" MANIFESTED BY
THEIR CASUAL DAILY COMMITTING SERIOUS
CRIMES IN FRONT OF THE PRISON GUARDS.

IN SHORT, NO BRAIN! NO HEART! AND
NO SOUL!! THEREFORE, NOT BEING HUMAN!!

SUCH THINGS ORDINARILY ARE ASSOCIATED
WITH MENTAL ILLNESS!

HOWEVER, THIS NEW OBSERVABLE DEVIATE
CONDITION GOES BEYOND [OR DEEPER
THAN] MENTAL ILLNESS!

I SUSPECT THEIR GENES (NOT NECESS-
ARILY MALIGNANT) HAVE BEEN
SOMEHOW ALTERED AVERSELY! AND PER-
HAPS, NOT BY DIRECT DESIGN!!

THEREFORE, IT IS RECOMMENDED THAT
IT MAY BE WORTHWHILE TO LOOK LONG
AND HARD AT THEIR DIET.
