

TO NOT LOVE PROFESSIONAL
SPORTS IS TO BE THE TARGET
OF LIFETIME OF BULLYING !!!

When I was a young boy - ON MY OWN - I read
Plato's THE REPUBLIC, and on a moment
by his insidious instructions to the lead-
ers to give the people circuses to dis-
tract them, while we govern them!

That was the illuminating day, I ceased
all interest in professional sports !!

And thereafter gave my studies and
attention to politics - POLITICAL SCIENCE!

Now there exist ready support for Plato's
philosophy adherents in our Republic
National Governance manifested in may-
ors, Federal and State Legislators,
Governors, and Presidents, etc. Willing-
ness to Advocate for and give Tax-
payers cash and subsidize their lav-

Ish Stadium, Arena, or whatever they want to Rich Sports Franchise [e.g. Football; Basketball; Baseball, and so on!] to stay and/or move into their Particular Location [i.e. City; Town; state, and so on!]

The President Highlight and Honor Sports in Person at the White House.

The Public can cite their sports minute details instantaneously [i.e. Names of Players, their Statistics, Whether they wear "Brief or Boxer", etc.] but in Survey after Survey for Decade after Decade, even Harvard Students - can't name their Senator, state and National Legislators, etc.]

The Fanatical Fans will murder, plunder and destroy in the Heat of Mass Madness of Team's ... Their TEAM PLAY!
see gen. IOWA STUDENTS CELEBRATION OF THEIR BASKETBALL TEAM WINNING. POLICE RESPOND WITH PEPPER SPRAY AND RIOT GEAR.

Sports is more valued than the follow-

THE PRESS, etc.) Programming (remem-

RECENTLY, IN THE NOW NEWS NBC UNIV-

HOWEVER, EVEN PBS NEWS HOUR FRID-
AYS GUEST POLITICAL COMMENTATOR

AND THE NEW YORK TIMES COLUMNIST David
Brooks pushes Plato's misguided line
that we should sorta ignore politics!

Nonetheless, I still ascribe to ABC-

NOT BE THINKING ABOUT POLITICS BUT POL-
ITICS IS THINKING ABOUT YOU". Pd.com

Now for a man to ignore sports - pro-
fessional sports, especially "The Super-
Bowl" is to pay the cruelest penalty!
Verbal incessant bullying and Nauseam!
No one will pass! Friends, stran-
gers, Brothers; Family; and NO CALLING
