

ELLEN, HOLLYWOOD,  
RACE AND GAYS!!!

UPDATE

ON April 15, 2014, Tuesday, Marlon Wayans  
guested ON ELLEN DEGENERES SHOW TO  
Promote his new movie A-HAUNTED HOUSE  
2.

He expressed to her the obvious lack  
of blacks in movies. How, he had to  
write one for himself (To work in!!!)

Ellen declined to jump upon her huge  
bandwagon, used exclusively to promote  
gay rights!

Ellen and Hollywood use blacks  
solely to advocate for homosexual  
civil rights!!!!
