

Big Money, Easy Money

Hey, check this out. I'm a amateur writer and I can help you make \$20,000.00 within a couple of weeks. All you have to do is help get my first book published. The very least I'll make \$50,000.00 from the publishers and I'll pay you \$120,000.00 off the top. All you have to do is type an introductory letter, the book outline and the first three chapters of the book on a computer. Print 10 to 15 copies, package them up and mail to the publishers addresses I will give you. I even know how to make it legally binding, so we both get our money. That's a lot of money for a little trouble. If you or someone you know is interested hit me up on this site or write me at
