Nikki,

All is well, new to Jesus loves U. over the course of time I pray I can help U know & internalize this eternal truth. Amen. Please know U do 1/2 Somebody is in your corner well actually 2 people I use the term loosely. Do U have a Bible??

Psalm 27:10 let's us know that, "when my mother & father leave me hanging God will pick me up." God is there 4 me? God is there 4 U. If U never believed anything I said, please believe that.

Don't believe me, believe the (Fathers) words I speak. Amen. Let them weigh heavily on your C? & soul.

Feel better?

U will.

Point blank. Period.

Sorry Ur mom gave into those unfortunate set of circumstances. I pray she allows Jesus to introduce Himself to her. I pray she is found by a man, who has her best interest at b & steers her in the right direction, known in she still has a bright future ahead of her & Prison is not anybody's destiny. Ur mom can do great things Sisters R cool wish I knew more way better. haven't seen her b since 2002 - she was 6!

Now she going on 18 & even has a 3yr old.

She was 1yr when I got locked up. Xikes!

Well tell Ur sister I said "hi" & welcome 2 the "Family" & Reunited & it feels so good Facebook is cool like that...

~~the~~ Prison is segregated; barely see someone 20 ft away from U let alone anyone else. The likely hood of me meeting Mr. Firehammer is slim & here yet if God miraculously introduces us I will give him you & his sons regards. K?
