Hello Everyone!

I've been very busy. So my writing has been slightly delayed for now. What I need from my viewers and supporters is to help me raise \$5,000 for my attorney fees.

Just to give a little history concerning myself. I was young and didn't have no knowledge of the law. This is my first time ever being in trouble. I later learned that a lot of things was not done according to the law in this criminal case. My public defender was very ineffective.

I been writing lawyers the whole 17 years; to see if they would take my case pro bono but nobody is not having that. I finally find a good attorney but it is going to cost me \$5,000 legal fees to get the help I need. I've always lived in poverty so I can not afford this.

Could you all in society please help me with donations to my attorney? If so, you can mail all checks or money orders to Macklyn A. Smith Sr attorney at law P.O. Box 142 Lawrenceville, Georgia 30046. Make sure you please place a note in his envelope letting him know the donation is towards Jennifer Johnson criminal case. Your help in this matter will greatly be appreciated

Sincerely
Jennifer Johnson
