Thank you for your comments, and bringing to my attention the inaccurate transcription of my poetry. I do not know how many poems are missing words, I cannot check it myself to see, but whatever needs to be done please feel free to correct it as necessary!

If you need clarification on poems missing words please let me know what poems I will check my archives and resubmit them, or if you can locate the copy I've sent and go off at that it's fine too.

You have sent 3 comments (i.e.: 98nx, jm28, and 2d26) so I'm trying to respond to all 3 in one response.

I really do appreciate you sharing my poetry with the kids you work with. I am trying to write more poetry that targets that audience.

I do hate that communication via blogging gets transmitted monthly. So if you would like to send a comment to me directly you may do so, I will send you poetry so you can read to the kids.

you can contact me directly at:

my story can be shared to the kids through you, I am in the process of categorizing all my poems and adding the appropriate titles, under the main title "A mind in captivity."

I look forward to hearing from you sometime! ☺

Very Truly yours
