Thank you for your comments it really gives me great pleasure to write and people love reading what I've wrote.

There was a lot of sincerity in that poem it is about a woman I love. All the love poems that I've posted are all about her.

I'm in the preparation at categorizing all my poetry under the title "A mind in captivity." I'm trying to find a publisher but it's hard when you're in prison they see prison mail and get spooked!

I'm thriving to be something great despite this pit stop! If you would like to contact me directly you may do so at:
