Michele,

Great malapropism! I'd like to think of myself as the master at malapropisms but the truth is that they come by serendipity or not at all. And as much as I'd like to entertain you with an appropriate one right now, my well has run dry.

My next several postings take a somewhat darker turn where I speak about how I was convicted of murder and lost my appeal. Not nearly as entertaining as a bunch of veterinarians on Memorial Day.
